Perfect, thank you.

Do you know if there's a different zip code associated with your UPS account? There seems to be a mismatch of the account number and billed zip code when I enter everything.

Thanks, Jeff

Henna,

There is extra width printed on each stripe for ease of installation but the overall measurements of what we're sending is 5 3/16" x 72" for the side stripes and 3 7/8" x 52 3/4" for the rear stripe.

I have two addresses on file for you---which should we ship to via UPS?

Thanks,

Jeff

Hi Henna,

My apologies, I thought someone else here in the shop had shipped them out to you. We'll get them in the mail right away and I'll send you the tracking number tomorrow.

Thanks,

Henna,

I'll have to look them up and get you that info as we're printing them.

Yes, we always add additional length to stripes since all graphic installers would prefer some margin for error while installing and they can trim on-site.

I'll get you the exact sizes we are sending.

Thanks,

Jeff

We'll just run them at no cost.

Do you have a UPS account you'd like me to ship them on or would you like us to use ours and just bill you for the freight?

Thanks,

Jeff

Installation issue. There's a bend in the door and they followed the bend so it's crooked. It did seem a little long so we might need to cut down but I can't tell you by how much so we'll just do it at install.

I did have to make an educated guess about the utility body style and the size. Could you confirm that for me, please? I really only need to know measurements for where the graphics will be installed.

Let me know if you have any questions.

Hi Henna,

Thanks for the e-mail. Those seem very similar to the other trucks we printed graphics for a few months back so I'll assume sizes will be nearly identical. We could produce/ship them for \$210.00 per truck at a quantity of three trucks.

Please let me know if you'd like us to go ahead with proofs and we can have something for you as soon as tomorrow.

Once approved, we could have the graphics shipped out within two business days.

Thank you,

Jeff
